Donations / help

With our Summer Concert in the early stages of production we would like to put out a request for any **spare material** of the following colours:

green, brown, faux fur and blue metallic fabric of any size shape or shade would be **most** welcome. Thank you!

Mrs Head would like to request help with her Veggy patch for the School gardening club.

The winter has impacted the ground and we would really appreciate adult green finger helpers to assist with digging over the veggy patch any lunchtime next week.

This will enable the children to plant the spring /summer vegetables.

Please contact the school office if you can help.

School uniform policy

Our policy is based on the belief that school uniform:

- Promotes a sense of pride in the school and it has a positive impact on behaviour and attitudes in school;
- Develops a sense of community and belonging towards the school;
- Identifies children with our school when taking part in out of school educational activities and visits;
- Is practical and looks smart;
- Makes children feel equal to others in terms of appearance;
- Is not distracting in class (as fashion clothes and hairstyles can be);
- Is regarded as suitable wear for school and considered by most parents as good value for money;
- Is designed with health and safety in mind.

With summer now upon us, please ensure your child is wearing the correct school uniform:

Sensible black footwear (Flip flops/beach shoes are not permitted)

Blue school logo cardigan / school sweatshirt

Girls : blue gingham school summer dress / grey or black skirts / shorts/ trousers

Boys: grey / black school trousers/ shorts

SATS

Well done to all Year 6 who completed their SATS this week.

We were very impressed by the children's calmness and maturity throughout the week and we hope that their efforts will be justly rewarded when we receive the results in July.

Year 2 are currently nearing the completion of their SATS

Year 1 Phonics Check

The phonics screening check is a quick and easy check of each child's phonics knowledge. It helps our school to confirm whether a child has made the 'expected' progress.

The check will take place during the week commencing Monday 12th June.

The phonics screening check is a list of 40 words (some real words and some non-words) that children read one-to-one with a teacher. Children may have read some of the words before, whilst others will be completely new.

This type of reading activity is not untypical in our school and therefore children do not feel pressured or uncomfortable in any way. In fact our children usually 'bounce in' to read with their teacher and are excited by the experience. The check normally takes just a few minutes to complete and there is no time limit. If a child is struggling, the teacher will stop the check.

Children who have not met the standard in year 1 will retake the check in year 2.
