Voices for Freedom

On the 17th of March 2017, East Wittering School joined three-hundred other voices in a spine-tingling performance at Chichester Cathedral. The session was led by talented Emily and Charles (who belong to the West Sussex music organisation). But, E.W.C.P.S would not have been able to perform without the weekly (and as the the concert approached, daily!) practices led by Head teacher, Mrs Parker. All of thirty members of the choir showed utter dedication to Mrs Parker, enabling them to blow minds on Friday the 17th.

"We wouldn't have been able to do it without her," commented Grace Relf.

"Music is my passion and I am so glad to have somebody to look up to." The concert was a complete success and included songs consisting of a combination of beat boxing, body percussions, clapping,

and obviously outstanding singing.

School Attendance

From the summer term onwards children with 100% attendance will not only receive 100% attendance certificates but will also be entered into a class raffle. Prizes will include a free ticket to Outward Bounds, for a free game of bowls or ...

We are really excited to another way of celebrating and awarding great attendance!

As the holiday season approaches, please note that Regulation 2006, Education Act makes clear that Head teachers may **not** grant any leave of absence during term time unless there are exceptional circumstances.

If a parent/carer feels it is absolutely unavoidable to take their child out of school for leave of absence, they **must** make a formal written application to the headteacher for consideration. Formal written applications **must** be made **in advance** to the Head Teacher as schools are **not** allowed to give retrospective approval.
